

2021 Conference Announcement on 6th Annual Meeting on Pediatric Dentistry and Dental Treatments Conference

Amr Abouzeid

Faculty of Dentistry, Tanta University, Cairo, Egypt

It is our utmost pleasure to welcome you to the official site of [6th Annual Meeting on Pediatric Dentistry and Dental Treatments Conference](#). Which will be going to be held in **London on April 27-28, 2021**

The theme of the conference is: "**Exploring the future in Dental Pediatrics and Dentistry**"

The Annual Meeting on Pediatric Dentistry and Dental Treatments is the premier international forum to present and discuss progress in research, development, standards, and applications of the topics related to the dentistry. Pediatric Dentistry 2019 will offer high-quality technical activities including research sessions, poster sessions, workshops, tutorials, demonstrations, an industry track, a developer's track, panels, and symposium.

This conference is mainly dedicated to providing the opportunity to the many leading keynote speakers and session speakers and young researchers and students to showcase their research work and knowledge in a technical way. [Pediatric Dentistry 2021](#) is creating best platform to meet dental experts' influencers face to face. **Pediatric Dentistry 2021** also offers you the chance to meet your eminent business idols, your possibilities are greatly improved when you're sharing the same space.

Educational opportunities & ideas: - No matter how experienced you are at your field. Sometimes you can miss new ideas and trends that can impact future results. The educational aspect of a [Pediatric dentistry 2021](#) is mainly to expose new ways of conducting your business and help you discover how to be more productive.

Networking with peers: - **Pediatric Dentistry 2021** conference provides a great opportunity to network. Often competitors from other regions of the world can become valuable resources for referrals and best practices. [Collaboration](#) is the way to approach [networking](#).

Encounter new dental vendors and suppliers: - Too often people shy away from the trade show exhibit hall at conferences. **Pediatric Dentistry 2021** provides the best platform for dental suppliers to showcase their work in front of all eminent participants who came to the conference.

Submission guidelines and registration prices information for Speakers and Delegates are posted on the Pediatric Dentistry website at <https://pediatricdentistry.conferenceseries.com/> Pediatric Dentistry 2021 will be held in London, UK from April 27-28, 2021.

Pediatric Dentistry 2021 aims to debate the wonders happening in the ever growing field of Dentistry. This conference is an acting stage for business professionals, Dentists Directors, academicians, technicians and chiefly students to showcase their innovations and new ideas. Pediatric Dentistry 2021 can have over a 100 International notable speakers to share their latest research results to participants; the planned program will cover a variety of subjects in the field of Dentistry. The conference will give a chance for interaction and interchange ideas through posters, open discussion and program project. We strongly believe that the exchange of knowledge and experience will result in a strong global collaboration between you and us.

*Are you willing to showcase research results and recent objectives achieved? During Pediatric Dentistry 2021, all participants will be able to provide at the registration desk a poster outlining your main results. Why?

Because you will have the chance to present them at the Knowledge exchange session (April 27 forenoon) and meet the authors of the speech you find most interesting during the ultimate Networking Session!
